

DISCIPLES BEAR FRUIT

Mark 4:1-34

- GOD'S DESIRE

- GOD'S DESIGN

- OUR DUTY: HEAR GOD'S WORD WELL

RENEWAL: What do you think it means to hear the voice of God? What obstacles make it difficult to hear the voice of God in our day and age? What does it mean to have a posture of openness to God's voice in our lives? How do you find the motivation to persevere in hearing God's voice? What habits or rhythms do you have in your life that help you hear God's voice?

OUR VISION: By 2026, we will be having thousands of surprisingly easy-to-start conversations about Jesus all over our city because we are convinced, where God has us is where Jesus is. *Share your stories of conversations about Jesus with us at realstory@northwestbible.org*
