

RENEWAL: How does the ascension give you confidence to choose God's mission over our comfort? Jesus is always close in what ways has this been true in your life? How do you reconcile that Jesus is in charge and suffering is part of His good will? Why is suffering part of His plan? Jesus is for us, when was the last time you experienced this? Where does Jesus want you to succeed? What feelings and thoughts are brought to the surface by focusing on His coming back? Does it compel you to serve the city?
