

We encourage you to take notes in your Acts journal, but if you forgot to bring it with you today, please feel free to take notes here. You can then cut out your notes from the bulletin and place them in your journal.

The Spirit Comes

THE PRESENCE OF GOD

1. The life giving power of the breath
2. The divine fire in your gut

decide • examine • wait

RENEWAL: When was the last time you realized your hard work was not enough? Did that realization lead you to desperate dependence on Jesus? Do you believe God can do something without our resources? Is His truth over your opinion dominating your thoughts? Do you want the presence of God above all else? Are you willing to sacrifice that which competes against or distracts from His presence? Do you need the presence of God above all else? Does your daily life reflect your answer? If you have decided you want the presence of the living God, are willing to examine what is hindering you from experiencing it? Are you willing to ask and wait for it?
