

Hand-drawn dashed box containing the text 'Acts 14' and a bulleted list of three items: 'Truth and action', 'Presentations and conversations', and 'Success and suffering'.

RENEWAL: Do you allow for divine interruptions in your life? If not, what steps need to be taken to allow for that interruption in your schedule? How can you create that margin in order to put God's people over your programs? Are you more comfortable telling truth with words or demonstrating truth through actions? How can you stretch yourself in the other direction? Where are you investing in a healthy way? Over what are you in danger of obsessing? What do you tend to ignore? Which is truer of the people in your life: God-fearers or people who have no concept of God or desire for Him? What would it look like for you to meet these people where they are?
