

when hope dies

#AboundInHOPE

WAIT with your
LIVING HOPE

Waiting **SITS** with your LIVING HOPE

Waiting **ACKNOWLEDGES** the death of small "h" hopes & **IMAGINES**
a LIVING big "H" HOPE.

Waiting **GRIEVES** our dying hopes & **REJOICES** in our LIVING HOPE.

Waiting **TRUSTS** that we will be okay when our small "h"
hopes die & **WORSHIPS** our LIVING HOPE
with confidence & expectation.

Waiting **BELIEVES** that sometimes our LIVING HOPE brings
healing after many sunrises & sunsets.
Waiting takes time.

Waiting **POSITIONS** us closer to our LIVING HOPE that
fires cannot burn, thieves cannot steal, & we cannot lose.

Waiting **SITS** with your LIVING HOPE
