RENEWAL: What sucks up most of your time, energy and attention? How can you make Scripture the pervasive background hum of your mind? What would help you slow down and pour over Scripture (a paper Bible, reading out loud, walking and reading, drawing Scripture, discussing in community)? Do you ask yourself what to do with the Scripture you are reading, like what in my thinking needs to change or what action(s) do I need to take? Are you willing to be challenged by the Word of God? Are you willing to share with others what God is teaching you?
