

FAITH *works*

JAMES 2:14-26

QUESTIONS: Why is important that we are crystal clear about the role of faith and works in a person's salvation? How would you explain the relationships between faith and works in a person's salvation? Why should genuine faith always lead to a life of genuine love? How have you seen God grow a person's heart of love for Him and others over time? What would you say to someone who says they're a Christian but whose life does not reflect a love for God or others in any noticeable way?
