**QUESTIONS:** How have you seen a person's tongue cause destruction? Why do you think our tongues are so hard to control? What do your words reveal about your heart? How have you seen words produce life? What's one thing you need to start or stop doing to make your words instruments of life?

**OUR VISION:** By 2026, we will be having thousands of surprisingly easy-to-start conversations about Jesus all over our city because we are convinced, where God has us is where Jesus is. *Share your stories of conversations about Jesus with us at [realstory@northwestbible.org](mailto:realstory@northwestbible.org).*
