

COVID Protocol and Expectations:

1. All students are required to have a negative COVID test 72 hours prior to departure – a rapid test and PCR lab tests are acceptable
2. Email results at least 24 hours before departure to kmoore@northwestbible.org
3. If a student should exhibit symptoms during the trip, the parents will be asked to retrieve the student from Sky Ranch and/or they will be quarantined in a separate room
4. All waivers need to be completed one week prior to departure for review
5. Exposure due to the trip is not the responsibility of Northwest Bible Church and parents assume risk and liability
6. If your student shows symptoms, and tests positive, you must report it to Northwest Bible Church
7. All families will be contacted if any student tests positive as a result from the trip
