

CONFRONTATION OF THE KING

CONFRONTATION *over politics & religion*

matthew 22:15-22

OWNERSHIP

RELATIONSHIP

RENEWAL QUESTIONS: How do you personally handle emotional conversations (like politics or religion)? Avoid? Passionately Engage? Or something else? Two opposed groups (Pharisees and Herodians) are looking to claim Jesus for their side. Where do we see this type of appropriation today? When you think of your resources, do you think ownership or stewardship? How can you more regularly think of God owning everything? What connection do you see between relationship and ownership? Which one leads to rebellion? Which one leads to submission? Whose image is engraved on you? What specific thanksgiving do you need to give for that?

OUR VISION: By 2026, we will be having thousands of surprisingly easy-to-start conversations about Jesus all over our city because we are convinced, where God has us is where Jesus is. *Share your stories of conversations about Jesus with us at realstory@northwestbible.org.*
