KINGDOM SIGNIFICANCE

matthew 23:1-12

JESUS GIVES US A WARNING AND A MODEL.

WARNING: Never use your position or people's perception of you to create significance in your life.

MODEL: We will gain Kingdom significance through humbly serving others.

HOW TO HAVE SIGNIFICANCE IN ANY SITUATION:

1. Think missionally.
2. Stop worrying about whether you are looked at as important.
3. Learn to find joy in the success of others.

RENEWAL QUESTIONS: Do you often think about the meaning and significance in your life? If so, how do you think about it? Do you ever try and leverage your position or others' perception of you as a way of creating significance for yourself? How do you feel about Jesus' call to humbly serve others? What obstacles do you see in your life that make serving others hard? In what areas of your life has God given you missional opportunities?
