**RENEWAL QUESTIONS:** What does the phrase “Live your best life” mean within our culture? How does this cultural attitude compare/contrast the way God has called us to live? When you read Proverbs, do you tend to view it more as a rule book, or an invitation to life with Christ? Wisdom is the ability to see the world the way God sees it, and act accordingly. What tends to enable you or hinder you to see and act in a godly way? This week, how will you tangibly seek to live out God’s best life for you?

**OUR VISION:** By 2026, we will be having thousands of surprisingly easy-to-start conversations about Jesus all over our city because we are convinced, where God has us is where Jesus is. *Share your stories of conversations about Jesus with us in our Conversations Hub at [northwestbible.org/conversations](http://northwestbible.org/conversations).*
