fight for faith **OVER FEAR**

ISAIAH 7-9

RENEWAL QUESTIONS: How does our culture view fear? Is it accepted, rejected or embraced? Have there been trials or seasons in which you have fought for faith over fear? When? What do you run toward when you are fearful? Has it become a taskmaster in your life? This week, how will you proactively fight for faith over fear?

Today's message: Neil Tomba January 15, 2023 **OUR VISION:** By 2026, we will be having thousands of surprisingly easy-to-start conversations about Jesus all over our city because we are convinced, where God has us is where Jesus is. Share your stories of conversations about Jesus with us in our Conversations Hub at northwestbible.org/conversations.
