## WHAT TO DO *in the* STORMS OF LIFE

ACTS 27:14-25; 33-37

**RENEWAL QUESTIONS:** What would be your reaction if you find yourself in a sea storm or a shipwreck? What is your natural reaction when you are dealing with difficult times? Do you hear the Word of God and remember His promises when you are in trouble or you can only hear and see the difficulties? Have you ever used your problems as an opportunity to give testimony of your God? Is it possible to thank God in the worst circumstances of life? Are you sensitive to the pain and needs of others when you are experiencing trials or just think of yourself? Do you encourage and give hope to those surrounding you? How does Jesus showing up in history impact your life today? How can that change the way you view the current overwhelming problems you have in your life?
