

DOUBT

PSALM 73

RENEWAL QUESTIONS: Are you (or have you ever been) a disillusioned Christian? Thinking back through your story, what was the turning point that led you down that path? Facing our doubts can be hard, but it can also be catalytic for our faith. What are the risks (real or imagined) and the rewards of facing our doubts? What will it take for you to retrace your steps to that place of doubt and fix your eyes upon Jesus instead of your pain or your failure?

OUR VISION: By 2026, we will be having thousands of surprisingly easy-to-start conversations about Jesus all over our city because we are convinced, where God has us is where Jesus is. *Share your stories of conversations about Jesus with us in our Conversations Hub at northwestbible.org/conversations.*
