*The Genesis of Blessing*

# SPIRITUAL STEPS

## GENESIS 13-14

### LOT'S STEPS

*Lot took steps to what HE thinks looks best... and it ends in a mess.*

### ABRAM'S STEPS

*Abram took steps believing GOD knows what's best... and he gets to bless... and be blessed.*

### OUR STEPS

*Our belief in God's goodness determines the spiritual steps we take each day.*

**RENEWAL QUESTIONS:** If there was a pedometer or a map that can track our spiritual steps, what kind of metrics will it show us? As we consider our own spiritual pedometer, are we just like Lot, taking steps that lead us away from God? If your spiritual pedometer considered your social media steps, what will your spiritual pedometer show? If our belief in God's goodness determines the spiritual steps we take each day, how can you reflect on God's goodness this week to help with your faithful obedience? What might steps of faithful obedience look like for you this week? — be specific.

**OUR VISION:** By 2026, we will be having thousands of surprisingly easy-to-start conversations about Jesus all over our city because we are convinced, where God has us is where Jesus is. *Share your stories of conversations about Jesus with us in our Conversations Hub at [northwestbible.org/conversations](https://northwestbible.org/conversations).*
