**RENEWAL QUESTIONS:** Jude writes to a people facing distractions, deceptions, and distortions of faith. How does this description compare to us and our society today? How does the word “contend” relate to our spiritual lives? How should this shape the way in which we live? What are the two marks that Jude uses to describe the false teachers in this community (1:4)? What are the two faith specific exercises that enable us to contend for faith? How? This week, how do you plan to contend for faith through one of the two faith specific exercises? When do you plan to do so?
