RENEWAL QUESTIONS: What comes to mind when you hear the word repentance? Everyone needs repentance to prepare their heart, to push past self-justification, to produce change, and to experience the Good News. Which of these aspects is most surprising and/or most challenging for you? Read the story of Zacchaeus in Luke 19:1-10. What do you observe about Zacchaeus? How does he model repentance for us? Why is it that everyone needs repentance to experience the Good News? This week, practice repentance. How are you running back to him by inviting the Holy Spirit into the process?
