LUKE 6:39-49

CORE PRACTICES OF JESUS' FOLLOWERS

Choose your teachers wisely

Check your heart constantly

Change your actions accordingly

RENEWAL QUESTIONS: What are some core practices you adhere to on a regular basis and why? These core practices may be habits or routines you keep and make a priority. One of the core practices Jesus gives to disciples is to choose teachers wisely. How can believers be proactive and avoid following false teachers? The second core practice is to check your heart constantly—why must we constantly examine our heart posture? How does heart posture affect your attitudes, actions, and ultimately your character? The final core practice for disciples is to change your actions accordingly. How does obedience to Jesus and His Word strengthen us for a lifetime of following Jesus? How does disobedience impact our walk with Jesus? This week, reflect on the three core practices Jesus lays out for disciples in Luke 6. How will you seek to incorporate these three core practices into your life on a regular basis?
