RENEWAL QUESTIONS: What is the Christian life all about? Where is it all going? What is God up to? These are all big questions which we often find ourselves asking. And in this wonder-provoking psalm, we see God acting outside of time, proving that Our God is So Big! A big battle for the universe is under way, and believers in Christ have been co-opted by God to be on his side. What exactly our role is, is the thrust of Psalm 24. At its core, it tells us what kind of lives we must be living, in light of an eternity with God that is soon coming. It calls for life change, for holiness, the way to partner with God in this battle, and to be blessed by him. Think of one or two specific and concrete changes you could bring to your life, to live as this psalm calls us to.
