

SPIRIT-FILLED, WISDOM-LED SERVANTS OF THE LORD

ACTS 6:1-7

THE PROBLEM

A real need.

THE SOLUTION

Enlist spirit-filled, wisdom-led servants of the Lord.

THE RESULT

The church grows.

RENEWAL QUESTIONS: Which aspects of Western civilization today are you most thankful for that have been influenced by the Church of Jesus (e.g., hospitals, universities, orphanages, schools, etc.)? What are some real needs in the world or in the church that we should prayerfully address as the body of Christ? What do Spirit-filled, wisdom-led servants of the Lord look like in our church or society? How has being served by people like this impacted your life? How might our countercultural ways of serving one another be used by the Lord to witness to others about the transforming power of the gospel? In what ways might the Lord, by the power of the Holy Spirit, be calling you to serve our church in this season?
