

DAVID AND GOLIATH

1 SAMUEL 16-17

TWOS & YOUNGER

One day, David took some food to his brothers at a battle. There was a big, strong giant called Goliath. Everyone was scared to fight this giant. But David remembered God was faithful and strong. David said, "I will fight this giant." David went to talk to King Saul. King Saul gave his armor to David, but it was too big for him. David said, "I don't need your armor. God will look after me." David went down to the river and got five smooth stones. He went to fight Goliath. Goliath thought it was a joke to send a little boy to fight him. David took a stone, put it in his sling, and shot it at Goliath. It hit Goliath's head and he fell to the ground. God had once again protected His people!

THREES & FOURS

One day, David's father asked him to take some food to his brothers who were out at battle. When David arrived, he found everyone was scared of the enemy. There was a big strong giant called Goliath. He said, "Send one man to fight me. If you win, we will serve you, but if I win, you and your people must serve us."

David didn't understand why everyone was scared to fight this giant. David remembered God was faithful and strong. When a lion or a bear would attack David and his sheep in the field, God would always protect David. David knew God would do the same against Goliath.

David said. "I will fight this giant." He went to talk to King Saul. King Saul said that David must wear his amor to protect him. Saul was big and tall. David was small. Saul's armor was too big for him. David said, "I don't need armor to protect me. God will look after me." David went down to the river and got five stones. Then he went out to fight Goliath.

Goliath thought it was a joke to send a little boy to fight him. David took a stone, put it in his sling, and shot it at Goliath. It his head and he fell to the ground. God had once again protected his people!
